## INDURINE

### A COLD WATER PAINT

A SUBSTITUTE FOR OIL PAINT AND WHITEWASH.

AN EXCELLENT FIRE RETARDANT AND DISINFECTANT.

Especially Designed For INSIDE Work on Factories and Public Buildings

It is a dry powder which can be prepared for use by simply stirring in COLD WATER and can be applied by anyone and will always produce good work.

It is VERY WHITE, extremely reflective and hardens on a wall like stone and will take any tint.

It will last for years, and is unaffected by gases.

One coat covers better than two coats of oil paint or whitewash.

It can be used on any surface and on all classes of work, even for the finest decorating.

It will not rub, scale or crack, nor will it soften with age or discolor.

It will not set in the mixing vessel, in fact it improves by standing a few days.

It can be used to good advantage over old whitewash without scraping.

IT DRIES OUT WHITE AFTER BEING WET.

It is cheaper than whitewash, durability considered.

Is supplied in barrels from 300 to 400 lbs., also in boxes of 100, 50 and 25 pounds.

## Outside Indurine!

This is for OUTSIDE Work

such as Fences, Outbuildings and Laborer's Quarters. It is a thick paste to be diluted with cold water; stands rain and exposure as well as oil paint, and costs but a fraction as much. It is fire-resisting as it contains no oil, and has no equal as a light reflector in dark basements, lamp cellars and similar places. It is supplied in colors.

## RHEUMATISM

AND PILES CURED BY  
AYER'S SARSAPARILLA.

Mr. W. JENNINGS, Adelaide, S. A., formerly of Hawthorn, near Melbourne, Vic., writes:

"For the past 3 or 4 years, I have been a great sufferer from rheumatism and piles. I tried all sorts of medicines, but derived no good from them. I chanced to read one of your books and thought I would give your Sarsaparilla a trial. I did so, and after

taking one bottle I felt better, and after taking 4 bottles I was a new man. I was sorry I never took it before, for it would have saved me very much pain."

## People Who Write

on typewriters marvel that busy business men still cling to the pen process. The business man using a typewriter would not voluntarily return to the old method, because he can turn off more work, of a better quality, and with less effort on his machine.

### The Man Who Never Used a Typewriter

believes the task of learning to write a difficult and hopeless one. Try. Others have learned; you can. Your first attempt will probably reveal the fact that you do faster work with the pen. That's quite natural; you are just learning. Your next trial will surprise you. Your fingers go to the right keys instinctively. It becomes easier and you will then begin to realize the usefulness and benefit of a typewriter.

### CHOICE OF A TYPEWRITER

will either make or mar your writing happiness. For the business man desiring a machine, that combines speed, durability, does perfect work, and lastly, has the easiest keyboard to learn, buy the

### NEW CALIGRAPH.

## TO-DAY'S AUSTRALIA

THE VERY LATEST.

The controversy over the two or more wills made by Senator Fair is still occupying the attention of San Francisco Courts.

California will make a splendid exhibit at the Atlanta, Georgia, fair. San Francisco is still excited over the Emmanuel Church murders and the preliminary examination of the supposed murderer, Durrant, is now in progress.

There is nothing new in Hawaiian affairs, and for all mention that is made of them by American newspapers it would seem that the subject was ended and forgotten.

Minister Thurston's name is not even mentioned in the exchanges received by the Australia.

C. P. Huntingdon, president of the Southern Pacific Railroad Company has finally been arrested in New York on an indictment charging him with an infraction of the Interstate Commerce law. By order of Judge Morrow, the presiding jurist of the United States Court in San Francisco, the indictment found against Huntingdon has been spread on the minutes of the Court at length.

Captain General Campos has arrived in Cuba and taken command of the Spanish forces.

Cuban insurgents demand better tariff laws from the Spanish Government.

The revolution is still in progress, neither side having gained any advantage, owing to the rainy season.

### CHILD DROWNED.

Had Been In the Water—About an Hour.

A three year old child was found drowned in the stream on the mauka side of the bridge on School street, between Nuuanu and Fort streets. The child was missed at 10 o'clock and the father, a German, was much worried and made an immediate search for the infant. As none of the neighbors had seen the little one he went to the stream and began poking a pole into a pool. Finally it struck something and brought to the surface human hair. The man at once plunged in and pulled out the missing babe. The poor thing had been dead about an hour. Dr. Day was summoned but the child was beyond human aid. No inquest will be held, it being considered unnecessary under the circumstances.

### A Needed Improvement.

On Tuesday morning at 10 o'clock a jury, subpoenaed especially, will assemble in Deputy Marshal Brown's office for the purpose of considering the proposed re opening of a roadway from the Oceanic dock to Brewer's wharf. The jury upon assembling will first visit the premises and deliberate afterwards. Mr. Brown would like those interested to be present.

### "Sentences Suspended."

In the District Court this morning G. Apiki pleaded guilty to carrying a deadly weapon, to wit, a pistol. Sentence was suspended.

Hannah Naehu, disobedience to parents, pleaded guilty but sentence suspended in her case, as well as that of K. Paivi found guilty of playing the truant since April 24.
